

GREEN BUILDING COUNCIL OF SRI LANKA
ECO LABELLING AND GREEN TECHNOLOGY PROJECTS DIVISION
GREEN^{SL}® LABELLING SYSTEM
FOR SUSTAINABLE BUILDING MATERIALS AND PRODUCTS

- The Applicant should complete the form providing accurate information
- The Application will not be processed unless this form is completed with the required information and all required documents are attached.
- Applicant will be informed of the certification fee payable per product after submitting the application form
- The duly filled application form should be sent to the Green Building Council of Sri Lanka, 120/10, “Vidya Mandiraya”, Vidya Mawatha, Colombo 07 or email the scanned copy to <mailto:ecolabelling.gbcsl@gmail.com> or <mailto:info.gbcsl@gmail.com>

1. APPLICANT’S INFORMATION

1.1. Business Name

.....

1.2. Nature of Business

.....

1.3. Type of Business

1.3.1. Small Scale { } (No. of Employees<50)

1.3.2. Large Scale { }

1.4. Business/VAT Registration Number

.....

1.5. Country of Incorporation

.....

1.6. Business Address

.....

1.7. Factory Address

.....

1.8. Details of the contact person-1

Name:

Designation:

Contact Number:

Email:

1.9. Details of the contact person-2

Name:

Designation:

Contact Number:

Email:

2. MANUFACTURER’S INFORMATION

2.1. Manufacturer’s Name

.....
.....

2.2. Address

.....
.....

2.3. Details of the contact person

Name:
Designation:
Contact Number:
Email:

2.4. Billing and Invoicing Information

Business Name (for invoicing):
.....

Contact Person Details

Name:
Contact Number:
Email Address:

Billing Email Address
.....

Billing Address
.....

3. PRODUCT-RELATED INFORMATION

3.1. Name of the product(s) applying for the certification

.....
.....

3.2. Brand Name of the product

.....
.....

3.3. Product Category

- Cement / Concrete Products
- Steel / Metal Products
- Bricks / Blocks / Masonry Units
- Insulation Materials
- Electrical Items
- Flooring Materials
- Roofing Materials
- Paints / Coatings / Sealants

- Wood-Based Products
- Other (specify):

3.4. Intended Application in the Construction and Building Sector (Briefly explain the uses of the product)

.....
.....

3.5. Trade Mark Status

- Registered []
- Application Pending []
- Not Registered []

3.6. Specifications

- Product-relevant standards

.....
.....

- Product Variants (Types, Sizes etc.)

.....
.....

- Code of practices

.....
.....

3.7. Product Life Cycle

.....
.....

3.8. End-of-Life Considerations

- Recyclable
- Reusable
- Biodegradable
- Disposal required

4. ENVIRONMENTAL PERFORMANCE

4.1. Energy Consumption During Manufacturing (How energy is used in the manufacturing process)

- Electricity
- Natural Gas
- Renewable Energy
- Other (specify):

4.2. Water Usage in Manufacturing Process

- Closed-loop system
- Partial reuse
- No reuse

Average water consumption per unit:
.....

4.3. Waste Management Practices

- Waste segregation
- Recycling
- Recovery
- Safe disposal

Provide details:
.....

4.4. Packaging Materials

- Recyclable
- Reusable
- Reduced packaging

Describe packaging approach:
.....

4.5. Does the product contain any hazardous substances (Including substances classified under applicable chemical regulations)

- No- the product does not contain hazardous substances above applicable threshold limits
- Yes- hazardous substances are present (Attach SDS and provide details)

5. SUSTAINABILITY AND COMPLIANCE

5.1. Quality and Safety Measures

.....
.....

5.2. Functional Performance

.....
.....

5.3. Cleaner Production Measures (Have cleaner production measures been implemented or planned for the manufacturing of this product to prevent or reduce environmental impact)

- Yes
- No

If **Yes**, please briefly describe the cleaner production measures implemented or planned (select and describe where applicable)

- Process Optimization
- Energy Efficiency enhancement projects
- Water Conservation Practices
- Waste reduction and material efficiency
- Reduction or substitution of hazardous substances
- Emission and Pollution prevention measures
- Other (Specify)

.....

6. PAST ENGAGEMENT WITH GBCSL

6.1. Please mention prior involvement with the Green Building Council of Sri Lanka (if any)

.....

7. SUPPORTING DOCUMENTATION

(Copies of the documents mentioned below should be submitted with the application form)

- Business Registration of the Company []
- Environmental Protection License []
- Environmental Management System Certificate (ISO 14001) []
- Quality Management System Certificate (ISO 9001:2015) []
- Product Catalogue []
- A flowchart of product manufacturing process []
- Relevant test reports and certificates dated less than 12 months []
- Other product related documents and certificates []

8. APPLICANT'S DECLARATION

I/We,.....hereby declare that the information provided above are true and accurate according to our knowledge and the information available to us. We agree to continue Green Label Certification for the applied product/products and agree to abide by the rules and regulations governing the award of Green Product Labelling of the Green Building Council of Sri Lanka. We agree to pay all fees payable before obtaining the permit. At the cause of expiration, suspension or revoke of the permit, I/we cease use of Green Labelling Certification and Logo on the product(s) covered by the Green Labelling System with immediate effect.
